April 7, 2022

Conversant Purchases Civeo Common Shares from Affiliates of Lance Torgerson

Civeo and Conversant Secure Right of First Refusal to Purchase Additional Stock from Torgerson

HOUSTON & CALGARY, Alberta--(BUSINESS WIRE)--Apr. 7, 2022-- Civeo Corporation (NYSE:CVEO) ("Civeo" or the "Company"), a leading provider of hospitality services to the natural resources sector, today announced that Conversant Capital LLC ("Conversant"), a private investment firm that pursues credit and equity investments in the real estate, digital infrastructure and hospitality sectors, has purchased approximately 958,000 Civeo common shares from entities affiliated with Lance Torgerson ("Mr. Torgerson") under a stock purchase agreement.

Civeo and Conversant also have rights of first refusal on additional stock held by Mr. Torgerson. Following the sale, Mr. Torgerson continues to own approximately 750,000 Civeo common shares (the "Escrow Shares"), all of which are currently held in escrow as described in Civeo's SEC filings and cannot be sold at this time. The stock purchase agreement provides that, if prior to April 2023, Mr. Torgerson desires to sell the 375,000 Escrow Shares to be released from escrow in June 2022, Civeo will have the right, but not the obligation, to purchase all or any portion of such shares. If Civeo does not exercise its right of first refusal for all the shares, any remaining shares must be offered to Conversant for purchase. An additional 375,000 Escrow Shares are subject to release from escrow in June 2023 but are not subject to the rights of first refusal described above. In addition to the Escrow Shares, Mr. Torgerson holds 9,042 shares of Civeo Class A preferred shares, which will mandatorily convert into approximately 2.5 million Civeo common shares in April 2023.

"Civeo is pleased to welcome Conversant as a new shareholder and hopes to benefit from its expertise in the hospitality and lodging sectors. We are supportive of this transaction and elected to waive certain of Mr. Torgerson's transfer restrictions under his registration rights agreement with the Company to facilitate this sale," said Bradley Dodson, President and CEO of Civeo Corporation. "In addition, the rights of first refusal for Civeo and Conversant are intended to facilitate an orderly transfer of ownership for the shares Mr. Torgerson is expected to receive from escrow in the near term, in the event Mr. Torgerson desires to sell those shares."

"Conversant has followed Civeo for several years, and we have been impressed with its prudent capital allocation policies, which have resulted in significant debt repayment," said Michael Simanovsky, Founder and Managing Partner of Conversant. "We are excited to invest in Civeo; we believe the Company is poised to capitalize on strong demand for its services across the natural resources sector and well positioned to generate significant free cash flow in the coming years."
