

Civeo Corporation Announces Renewal of Share Repurchase Authorization

August 30, 2022

HOUSTON & CALGARY, Alberta--(BUSINESS WIRE)--Aug. 30, 2022-- Civeo Corporation (NYSE:CVEO) announced today that its Board of Directors has renewed its share repurchase authorization for the Company to repurchase up to 5% of its total common shares outstanding through the facilities of the New York Stock Exchange over the next twelve months.

Civeo intends to fund repurchases through cash on hand and cash generated from operations. In the last twelve months, the Company repurchased approximately 715,000 common shares and will use this renewed share repurchase authorization to continue opportunistically acquiring Civeo common shares.

This share repurchase authorization is made in reliance on the "other published markets" exemption from the formal issuer bid requirements under Canadian securities laws for normal course issuer bids and represents the maximum annual share repurchase authorization permitted under the exemption.

Forward-Looking Statements

This news release contains forward-looking statements within the meaning of the Securities Act of 1933 and Section 21E of the Securities Exchange Act of 1934. Forward-looking statements are those that do not state historical facts and are, therefore, inherently subject to risks and uncertainties. The forward-looking statements herein include the statements regarding Civeo's future plans and outlook, are based on then current expectations and entail various risks and uncertainties that could cause actual results to differ materially from those expressed or implied by these forward-looking statements. Such risks and uncertainties include, among other things, risks associated with global health concerns and pandemics, including the COVID-19 pandemic, any increases in or severity of COVID-19 cases (including due to existing or new variants) and the risk that room occupancy may decline if our customers are limited or restricted in the availability of personnel who may become ill or be subjected to quarantine, risks associated with the general nature of the accommodations industry, risks associated with the level of supply and demand for oil, coal, iron ore and other minerals, including the level of activity, spending and developments in the Canadian oil sands, the level of demand for coal and other natural resources from, and investments and opportunities in, Australia, and fluctuations or sharp declines in the current and future prices of oil, natural gas, coal, iron ore and other minerals, risks associated with failure by our customers to reach positive final investment decisions on, or otherwise not complete, projects with respect to which we have been awarded contracts, which may cause those customers to terminate or postpone contracts, risks associated with currency exchange rates, risks associated with the company's ability to integrate acquisitions, risks associated with labor shortages, risks associated with the development of new projects, including whether such projects will continue in the future, risks associated with the trading price of the company's common shares, availability and cost of capital, risks associated with general global economic conditions, global weather conditions, natural disasters and security threats and changes to government and environmental regulations, including climate change, and other factors discussed in the "Management's Discussion and Analysis of Financial Condition and Results of Operations" and "Risk Factors" sections of Civeo's most recent annual report on Form 10-K and other reports the company may file from time to time with the U.S. Securities and Exchange Commission. Each forward-looking statement contained herein speaks only as of the date of this release. Except as required by law, Civeo expressly disclaims any intention or obligation to revise or update any forward-looking statements, whether as a result of new information, future events or otherwise.
