

## Civeo Corporation Announces New Share Repurchase Authorization

March 27, 2025

HOUSTON--(BUSINESS WIRE)--Mar. 27, 2025-- Civeo Corporation (NYSE: CVEO) announced today that its Board of Directors has authorized a new share repurchase program under which the Company may repurchase up to 10% of its total common shares outstanding over the next twelve months.

The Company recently completed its previous share repurchase authorization, which was announced on September 11, 2024 and covered 5% of the then total common shares outstanding. Since the Company instituted its share repurchase program in 2021, Civeo has repurchased approximately 20% of its fully-diluted shares outstanding.

Bradley J. Dodson, Civeo's President and Chief Executive Officer, said, "This new repurchase authorization is a testament to the value we see in our stock. Having successfully completed the previous authorization in just six months, our new authorization will allow us to repurchase shares at attractive valuations consistent with our commitment to the return of capital to our shareholders. Looking ahead, we continue to review our capital allocation strategy to create long-term value for shareholders."

Civeo may repurchase shares through a variety of methods, including, but not limited to, open market repurchases and privately negotiated transactions. The timing, price and quantity of repurchases under the new repurchase plan will be at the discretion of Civeo and will depend on various factors, including the Company's capital position, liquidity, financial performance and alternative uses of capital, stock trading price, regulatory requirements and limitations, and general market conditions. The Company's Board of Directors may increase the number of common shares that may be repurchased under the repurchase plan at any time. The repurchase plan does not obligate Civeo to repurchase any particular number of shares and it may be suspended or terminated at any time.

### About Civeo:
